Discussion Items:		
<p>1. What do we expect and want from the pilots for outcomes, and how do we measure that?</p> <p>2. How can we maximize the two Ks for the pilot project?</p> <p>3. Report on summer acquisitions and progress</p> <p>4. A discussion on utilizing tech staff, integrators, and librarians together in the future</p> <p>5. Establishing an effective e-mail system to parents, with selective snail mail (only to those without email)</p>	<p>1. Part of the RFP required the teachers to develop evaluation of use.</p> <p>Need to encourage structure of use on a daily basis</p> <p>Do we have identified areas to try to improve?</p> <p>Do I-walk through to assess engagement</p> <p>Lynsey and Laurie will develop an I-walk through model.</p> <p>Who buys the apps and who owns them?</p> <p>Bruce can go to the Apps store and buy and give the code to the teacher to then download.</p> <p>Noted that all gifts, including gift cards for apps are to go through Central Office and that the Policy Committee will take a look at a threshold amount for gifts that do not need to go through CO.</p> <p>2. Work with teachers to identify apps that will help maximize specific areas.</p> <p>3. This summer 60 administrative machines are being upgraded and 56 have been deployed and balance will be set up by next week.</p> <p>4. Tabled</p> <p>5. Why doesn't everything go out in e-mail? Should send mail to those who don't get e-mail rest get it as an e-mail. This is a function of the building principal. Loren will work through Scott and Lew.</p>
