

## **STUDENT REPRESENTATIVES TO THE SCHOOL BOARD**

The Student Senate may select, or the High School Principal may appoint, a representative from its membership to attend all regular Board meetings. A copy of the agenda will be made available to the student representative through the High School Principal's Office.

The student representative:

- a. May speak at meetings, and participate in the discussions of issues before the Board.
- b. May not attend negotiations or executive sessions.
- c. May be assigned to committee(s).
- d. Will be expected to abide by attendance and participation requirements which govern members of the Board and seek input from other students in order that he/she truly represents their thinking.

An alternate student representative shall also be elected who shall be eligible to participate in the absence of the regular representative.
