Recommended amounts set forth below:

Total Appropriated (by municipality):		Total Raised (assessments by municipality):	
Town of Cushing	\$ 2,687,421.55	Town of Cushing	\$ 2,219,223.34
Town of Owls Head	\$ 2,153,016.12	Town of Owls Head	\$ 2,153,016.12

Explanation: The Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount that the Regional School Unit must raise and assess in order to receive the full amount of state dollars.

- ARTICLE 13:** To see what sum the Regional School Unit will raise and appropriate for the annual payments on debt service previously approved by the Regional School Unit voters for non-state-funded school construction projects or non-state-funded portions of school construction projects in addition to the funds appropriated as the local share of the Regional School Unit's contribution to the total cost of funding public education from kindergarten to grade 12.
School Board Recommends \$2,284,398.83

Explanation: Non-state-funded debt service is the amount of money needed for the annual payments on the Regional School Unit's long-term debt for major capital school construction projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the Regional School Unit voters.

ARTICLE 14: **(Written ballot required.)** To see what sum the Regional School Unit will raise and appropriate in additional local funds (**Recommend \$10,636,802.83**), which exceeds the State's Essential Programs and Services allocation model by (**Recommend \$10,636,802.83**) as required to fund the budget recommended by the School Board.

The School Board Recommends \$10,636,802.83, which exceeds the State's Essential Programs and Services allocation model by \$10,636,802.83. The School Board gives the following reasons for exceeding the State's Essential Programs and Services funding model: The Essential Programs and Services funding model does not fully support all of the costs associated with operating a comprehensive K-12 educational program, such as athletics/co-curricular activities, special education programs, alternative education programs, maintenance and transportation, nor does it recognize and account for the costs associated with maintaining small class sizes, operating small elementary schools in each community, operating two high schools and offering a broad level of academic programming.

Explanation: The additional local funds are those locally raised funds over and above the Regional School Unit's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the Regional School Unit budget for educational programs.
